

Cork Yoga Mat

“Raybone” has join the market of cork products as a manufacturer and supplier in China since 2003. We have produced and exported Cork Yoga Mat about 20 years. As one of our main products, Cork Yoga Mat, has competitive price advantage and cover most of the European and American markets in glass industry. We are looking for agents/distributors all over the world and hope for the mutual benefits from the long-term

cooperation.

Product Description

China Quality “Raybone” Cork Yoga Mat is composed Of Cork and Natural Latex, One Side Cork Is a Sustainable Natural Cushioning Material That Is Antibacterial and Can Handle Your Sweat, At the Same Time, It Repels Bacteria and Odors, And the Other Side Is Natural Rubber, Which Gives the Yoga Mat High-Strength Resilience and Grip, Plays A Non-Slip Role, And Bids Farewell To The Potential Safety Hazards Caused By Slipping.
